

DANNY PARDO  
PRESS KIT

# Biography

**Danny Pardo**, son of European immigrants with a rich culture coming from Italy, Spain, Yugoslavia and Argentina. Speaking **Spanish, English, Portuguese** and **Italian** fluently, Danny has had the chance to perform in these languages in Films, TV Shows, Commercials, Voiceovers, Hosting and Emceeing Live Events.

In February 2015, Oscar Award winning Director Juan Jose Campanella (2010, Best Foreign Film for *The Secret in Their Eyes*) and Director of *House, Law & Order, Colony* and others, cast Danny Pardo to portray Father Martin on acclaimed Argentine TV Series **ENTRE CANIBALES** ("Cannibals" (2015) on IMDb). The media and industry people described Pardo's performance as "an exquisite presence, with warmth, charisma and believability". Campanella on Argentina's National Radio stated, "Danny is a find; he has a different way of 'being' and he brings a fresh, honest and strong portrayal of a priest from the slums". Because of Pardo's universally positive reception in Argentina, he has been interviewed across all media platforms, including national and regional newspapers, magazines, radio, and online media. Thanks to distribution agreements with FOX-Life, YES DRAMA and SONY Channel the show aired in Latin America (Uruguay, Chile, Colombia, Mexico, etc), Russia and Israel. This exposure has made Pardo a recognizable face on the streets of Buenos Aires and a known actor in the other markets. Fans from several different countries follow him on social media.

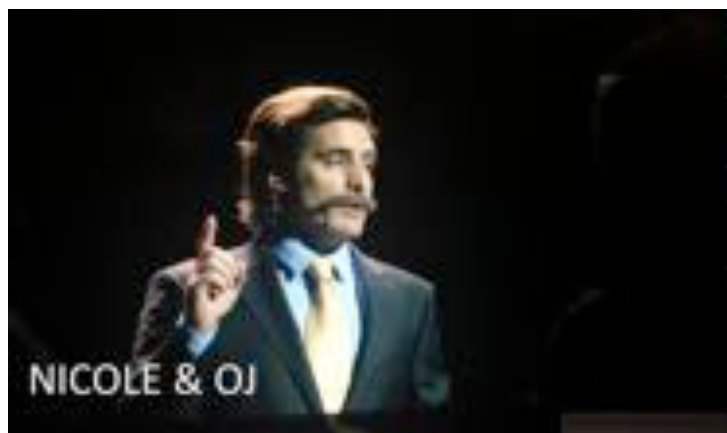

In 2014, Disney Studios released worldwide **PLANES: FIRE & RESCUE**. Danny had the privilege of giving his voice to **Blackout**, a very courageous, brave and faithful character. Blackout belongs to a rescue and fire prevention team called Smokejumpers that parachute down in the most dangerous situations to combat the fierce forest fires.

Being one of the most adorable and likeable characters in the film, Disney asked Danny to record his voice for the launch of the Blackout toy that has been flying off the shelves everywhere.

Danny has had strong Starring and Supporting roles playing opposite with star names such as, **Kiefer Sutherland, David Boreanaz, Michael Chiklis, Wentworth Miller, Susan Lucci, Armand Assante, Danny Trejo, Steven Bauer, Tom Sizemore, Richard Tyson** and others.

The motto he goes by describes why he has become successful in a very competitive business in such a short period of time: **It is not what you do, but actually it is HOW you do what you do that makes a difference...** You can count on him giving everything he is and has for his craft.
